

## Route to a LISS/CSCS Smartcard

If you require a new CSCS card or your current CSCS card has expired follow this flowchart. This process will not happen overnight. Allow 6-8 weeks to complete the full process.

**ATTEND** a one day ROLO (Register of Landscape operatives) Health and Safety Awareness Course and **PASS** the multiple choice exam. This can be arranged with the Arboricultural Association ([www.trees.org.uk](http://www.trees.org.uk)).

You will be issued with a certificate for successfully completing and passing the course.

Decide which relevant CSCS card you can apply for given your skill set at:

<http://www.bali.org.uk/lisscscs/>

Green Card – Basic Operative

Red Card – Trainee

Blue Card – Skilled Operative

Gold Card – Supervisor

Black Card – Manager

White/Yellow Card - Consultant

Book the relevant (Operative, Labourer, Specialist, or Managers and Professionals) CSCS multiple choice Health and Safety 'Touch Screen' Test. This can be booked at <http://www.citb.co.uk/cards-testing/health-safety-environment-test/booking-the-test/> Or call 0344 994 4488.

**TAKE** and **PASS** the CSCS Health and Safety 'Touch Screen' Test. You will be given proof of passing the test immediately.

We strongly recommend that you revise for this test with one of the revision materials available such the revision book or online tests. These are available from:

<http://www.citb.co.uk/cards-testing/health-safety-environment-test/preparing-for-the-test/>

Submit to BALI (02476 690333):

1. ROLO Pass Certificate.
2. CSCS Touch Screen Test Pass Certificate.
3. Completed LISS/CSCS Application Form available from:  
<http://www.bali.org.uk/lisscscs/>
4. Supply any supporting evidence required such as copies of certificates of competence.
5. The appropriate fee.
