

i-TREE PLANNING WORKSHOP

ARBORICULTURAL ASSOCIATION Irish Branch

Date: 29th September 2016

Venue: National Botanic Gardens - Teagasc School of Amenity Horticulture, Glasnevin, Dublin.

Course Name: Planning for an i-Tree Eco Project

Brief Description: This workshop is designed for decision makers who will commission and use i-Tree Eco studies: E.g.: Local authority parks superintendents, planners and landscape officers, arboricultural managers, consultants and land estate managers, together with related consultants involved in planning, landscape architecture, and urban design.

Presenter/Trainer Information:

Anne Jaluzot – Urban Planner & Green Infrastructure Consultant; lead author of TDAG (Trees & Design Action Group) recent guide '*Trees in Hard Landscapes*'.

Keith Sacre – Barcham Trees Plc & TDAG

Kenton Rogers – Treeconomics Ltd.

CPD hours: 6

Times: 9.00am-4.30pm – Please meet at the main public entrance gates to the gardens at or before 9.15 am.

Arboricultural Association Member Price: €150.00

Non-member price: €180.00

This is a first come-first in event - **Max seats:** 20-25.

Additional Information:

Lunch & Parking

Lunch is not included, unless availing of the additional option below. The Botanic Gardens car park is expensive (€12 per day), and on-street parking nearby is usually extremely limited. Whilst lunch is available at the restaurant or nearby pubs, we have made an arrangement with the nearby Tolka House pub for both reserved parking and a half-portion of a meal from their carvery (typically beef/turkey/ham or similar with roast spuds/mash/veg, with tea/coffee) – you can avail of this additional option for €10 – **see attached booking form**. If availing of this option, please remember to enter your car registration.

Booking

Please complete the attached/enclosed booking form below and return with payment to reserve your place. If you are a local authority, or have any further queries, please contact Arboricultural Association Irish Branch officers: Felim Sheridan (087 262 9589 / arborist@ericom.net) or Roy Goodwin (087 222 5811 / roy@goodwin-arborist.com).
