The International Urban Forestry Congress will be held at the Westin Bayshore Vancouver from September 30 – October 3, 2018.

The Congress is a unique partnership between Tree Canada's Canadian Urban Forest Conference (CUFC), the Pacific Northwest Chapter of the International Society of Arboriculture's (PNW-ISA) Annual Training Conference and the Urban Tree Diversity Conference (UTD).

The Congress themed "The Urban Forest – Diverse in Nature" will include following sub-themes:

- › People Diversity, City Diversity
- › Urban Forest Diversity
- › Urban Forest Management: Diverse Challenges, Diverse Approaches
- › Governance and Partnerships for Diverse Urban Forests
- › Natural Diversity in Our Urban Forests
- › Diversity in Urban Forestry Education and Communication
- › Integrative Perspectives on Diversity in Urban Forestry

Learn More About:

- › Program and keynote speakers
- › Tree Academies and Field Trips
- › Becoming a sponsor
