Camping overnight

Tents and camper vans are welcome at Camperdown this year. We have available pitches for 15-20 tents and van space so please join us for an evening amongst the trees. Common sense rules apply- pick up your rubbish, use the toilet facilities and no fires on the grass. Off ground cooking only please.

For those needing a roof, there is a Premier Inn just at the entrance to Camperdown, about 10mins walk from the campsite.
